All, except John probably.
 All born on Amherst Island
 where they appear to have settled
 in 1823. In 1845 they moved to
 Huron County, probably
 because they could own
 land there but Amherst Is
 was owned by the Irish
 landlord and administered
 by his agent. If immigrants
 came to Canada to own their
 own land why live on
 rented land?

Dear Dr. Burleigh,

I was so happy to receive your letter this morning concerning the Lucas and Perry genealogy.

I do not know when they left Kingston. I am pleased that you have contacted your researcher concerning the 1851 Census. I hope to hear from you soon as to what data he uncovered in the Census records. When I send you the money for the cost of searching the records, how should I do it? Would my personal check be acceptable to you? Although I do not have unlimited funds at my disposal I am greatly interested in this matter and if you do have much data for me, I hope that we can work out a financial arrangement suitable to both of us.

I appreciate your time and effort very much and I hope to hear from you soon.

Sincerely,

Mrs. M. S. Robin

Dear Mr Burleigh -

When I wrote you weeks
and weeks ago and received
your answer so quickly, I
expected to get this information
down immediately. But you
know all about Good Intentions.

I hope you can understand
this family history. I did not
go into all the details of my own
and later generations but I
would be happy to answer
any questions about whereabouts
of descendants that I know
about. Also there are a number
of other families that left
Ulster Ireland in mid 19th century
and settled in Huron County. I
can give some information
about them if you are interested.
Anderson, McQuaid, Polley,
Girvin, Finnigan to name
a few.

By the way, most of deaths
given as Boderech were at or
near Nile.

Sincerely,

Margaret A. Litchford

Handwritten text in a cursive script, likely a letter or a page from a manuscript. The text is written in a dark ink on a light-colored paper. The handwriting is fluid and continuous, with many words and phrases that are difficult to decipher due to the cursive style. The text appears to be organized into several paragraphs, with some lines starting with capital letters. The overall appearance is that of a historical document or a personal letter.

welcoming what this

body has to offer.

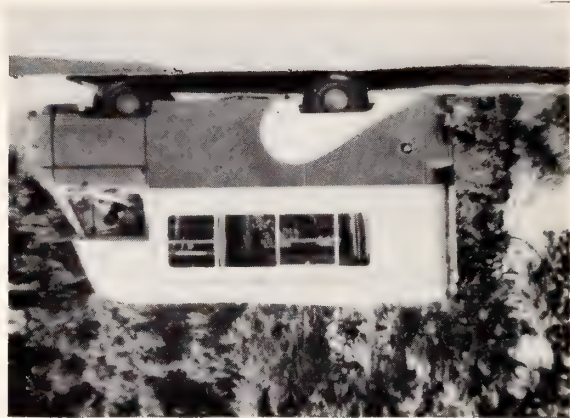

Dear Sir -

Bill Hitchcock,
of Windsor, told me
this past week
of your interest
in collecting names
in old graveyards
of the early settlers
in your area of
Eastern Ontario. I
wondered if you
might be interested
in some details
of our family.

My ancestors came

Team Section to
Canada about 1824
and settled in
Antwerp Island on the
the farm owned by
by James H. Miller
Shelly afterwards
B. Baber, B. Baber
Evans, died and
was buried in
a great corner
of the farm, having
the necessity of the
little and country.
In 1845 they moved
to Thum County and
my youngest brother
to save the corner
of the farm. I could
my grandfather got
a valuable section
that year. I paid
\$20 for the corner.

Some of our branch
of Peabodys and
some of another
branch with many
familiar names
and traditions and
legends compiled
by the late Geo. E.
Peabody of Gloucester.

Yours sincerely,
